

HAPPY THANKSGIVING

I am thankful for many things.
My dog. I love him because he is
handsome. I play with him. He cuddles with
my family. I am thankful for my mom.
We clean dishes together. We cook mac and
cheese and frozen pizza. We also clean the dog bowls.
I am thankful for my cousin Elba. She is
nice to me. She hugs me. She plays with
me outside. I love her so much. I am
thankful for many things.
